

WeightLossMethods2u Financial Aid/ Scholarship Competition

At WeightLossMethods2u, we know a quality education is a foundation for great success in life. Unfortunately being able to afford a quality education is getting more difficult every year. Additionally, we appreciate the fact that we would not be where we are today without education and, importantly, not without the help and support of others. To help other aspiring young students realize their dream of obtaining a college degree. WeightLossMethods2u is pleased to announce the creation of the annual WeightLossMethods2u \$1,000 scholarship available to current college students or those planning on attending a college or university.
